

I don't live in Victoria, but would like to apply for a seasonal clerkship. Can I?

Most of the summer clerkship opportunities offered by law firms in Victoria are open to Indigenous law students and graduates from interstate. ILSLAV-Tarwirri can assist you in finding budget accommodation for the duration of the placement, but you will need to budget for the cost of living somewhere temporarily. Things to consider include: the cost of accommodation, transport/travel and meals.
